

8 July 2005

Mr Kim Tautz
Xerox
1/26 Forsyth Street
WAGGA WAGGA NSW 2650

Dear Kim,

Just a quick note to tell you how delighted we are with the new Xerox Document Centre C360.

The time efficiency is remarkable with the printing, faxing and emailing facilities all available as a desktop function.

The stapling feature has been a very successful feature and the colour copying and printing a great cost saving device with high quality resolution.

Thank you again.

Yours faithfully,
WAGGA RSL CLUB

ANDREW BELL
GENERAL MANAGER
